SPEAKING ON THE FINANCIAL RESULTS,

Mr. Pankaj Ostwal, Managing Director
Madhya Bharat Agro Products Limited, said:

“It gives me a great pleasure to inform that our Company has commenced Commercial Production of DAP & NPK in Sagar, Madhya Pradesh. The plant will have installed capacity of 120000 MTPA.

On account of this expansion, we intend to grow the size of our revenue and profits on a significant scale in the upcoming years by leveraging on the existing distribution network and overall team experience.

Your Company has shown a growth of 42% in the revenue and 36% in the PAT as compared to corresponding year period ending 31st March, 2021.

In the chemical segment, the Company has shown little growth. The gross revenue from chemical segment has been increased by around 12%. We believe that shift in the manufacturing activity of chemical intermediates from China to India is a big positive for Indian manufacturers in upcoming time..
